

LAYLINES

Milliken™

LAY LINES

SOLIDS & TRANSITIONS

Enhance floorscapes with seamless transitions to easily flow between brights and neutrals.

Laylines features 6 anchoring neutrals, each with 2 bright transitions options. Select your favorite bright, or to infuse even more pigment, select both bright options for a rich gradient expression.

WAYFINDING

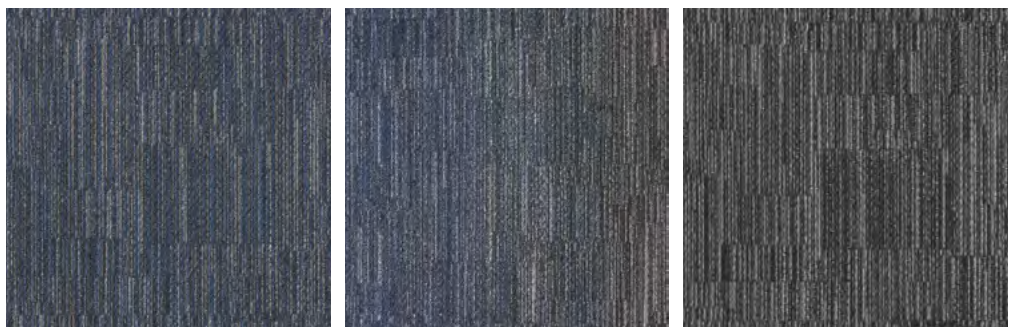

DEFINED SPACES

Subtly create spatial boundaries in workspaces or thoughtfully form a clear traffic flow.

SOFT GRADIENTS

Flow between bright and neutral transitions with ease. Designed with a gradient effect, Laylines allows for smooth and lively progressions through spaces.

MODULAR ZONING

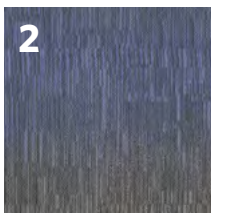

TO SUPPORT WAYFINDING

Versatile corner and transition components that can be flipped 180° to build defined landing points and clear wayfinding.

5
SOLID

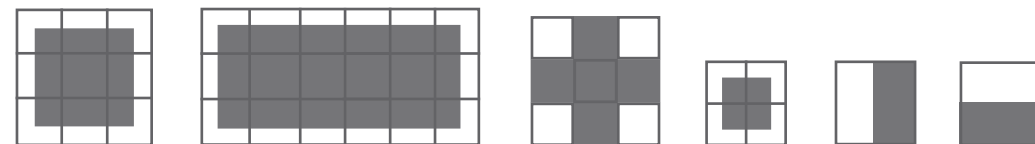

Modular carpet tiles can be placed and rotated 180° to build zoning areas and fit seamlessly around corners.

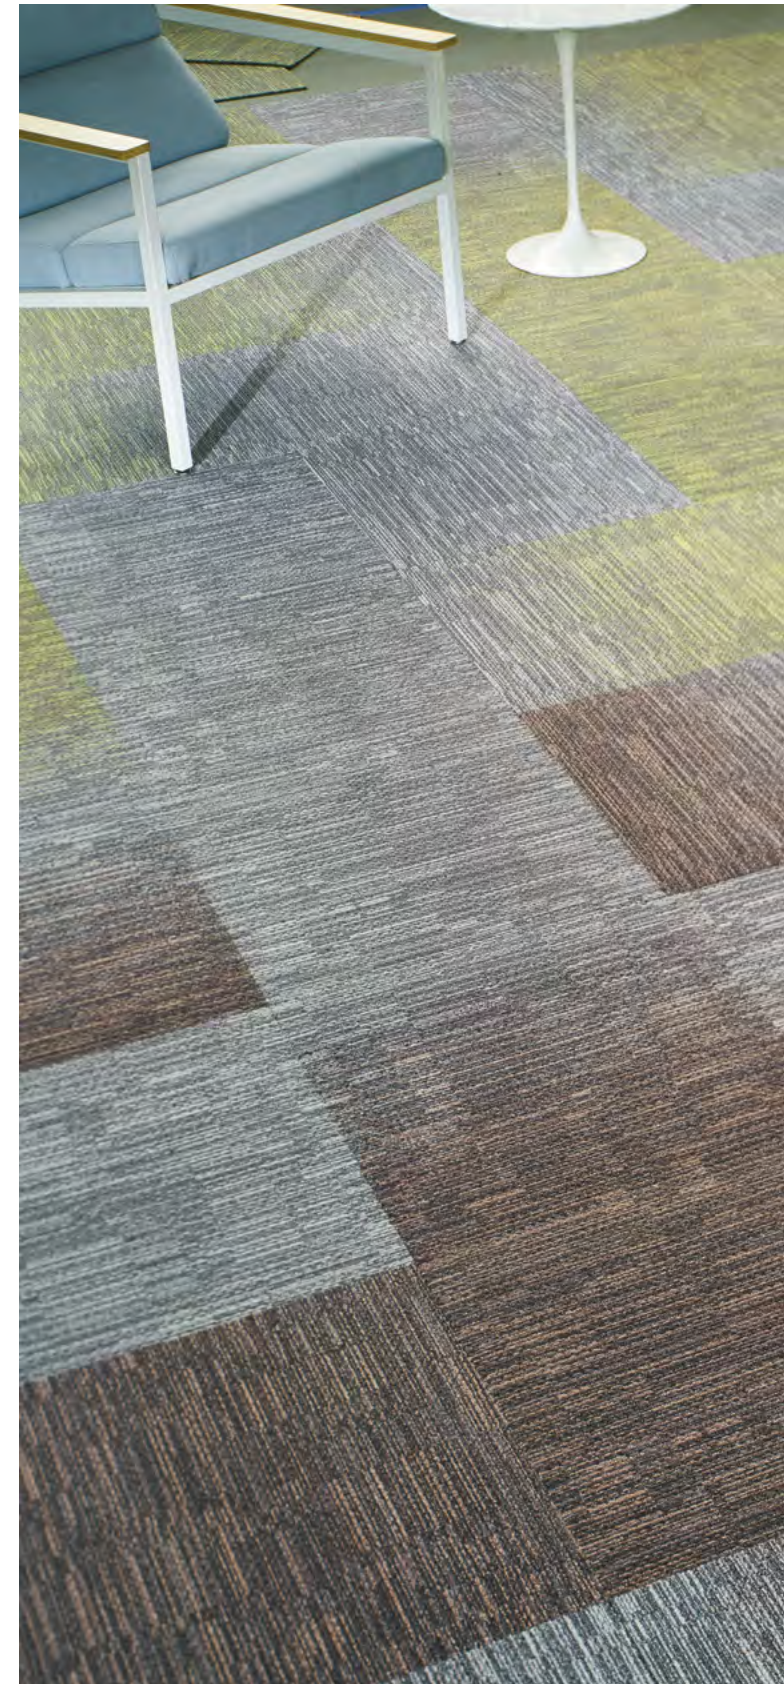

180° FLEXIBILITY

Build zoning areas to fit your space and creativity.

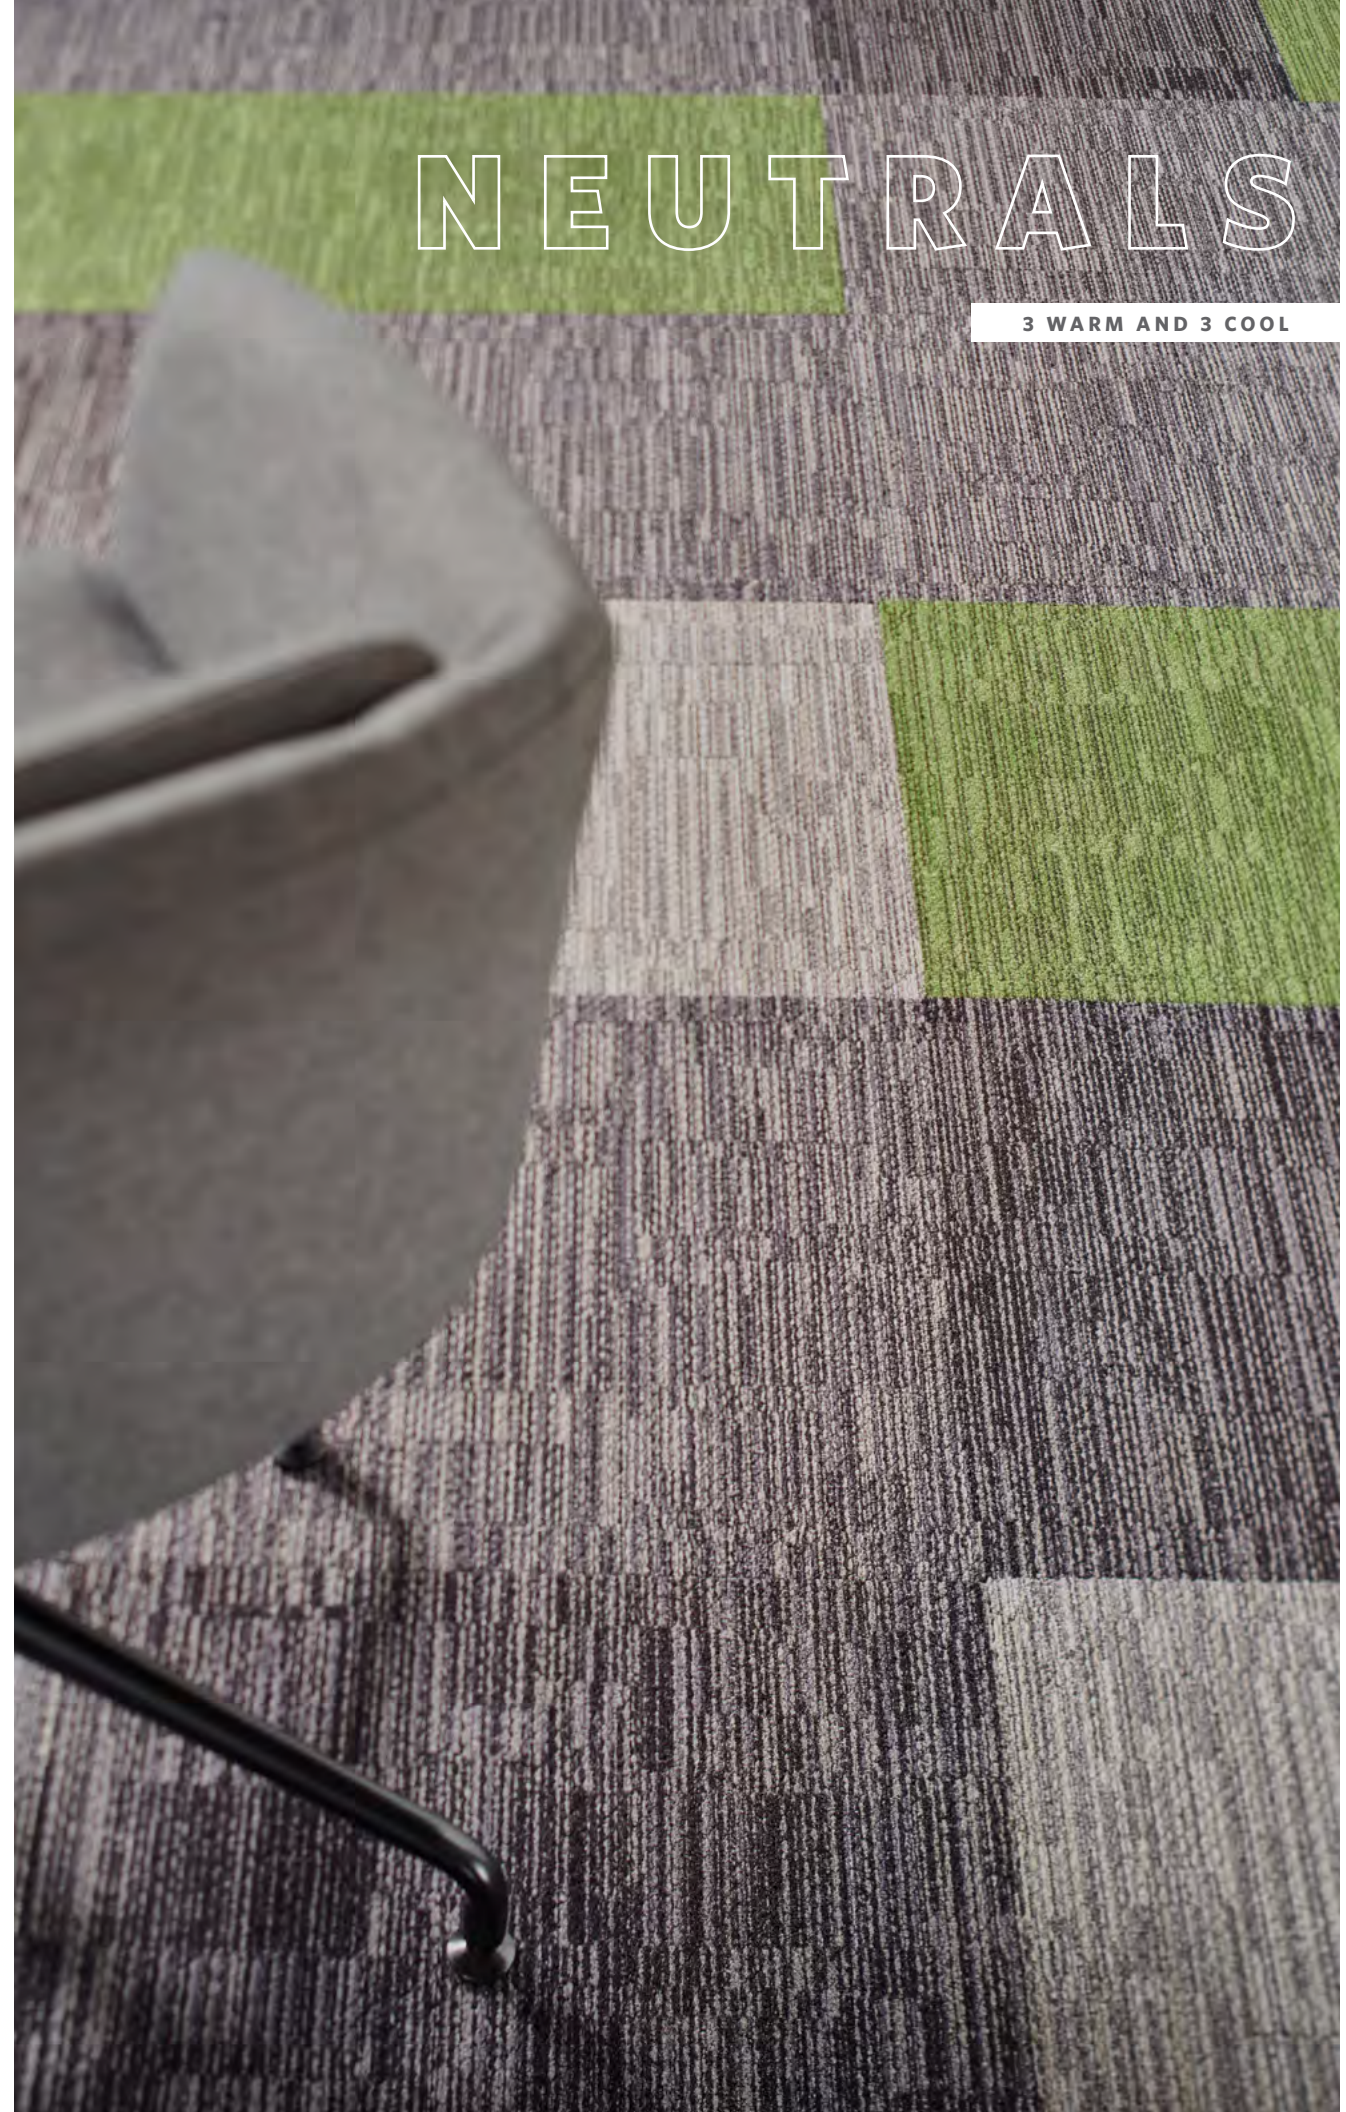

RAN **visual interest** M

Infuse bold pops of color and interest into spaces with a random installation.

NEUTRALS

3 WARM AND 3 COOL

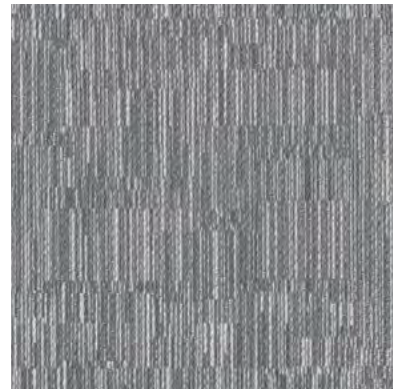

With a neutral installation, introduce a fully monochrome palette to spaces with varying depths of tone and shade.

Laylines in Sweater, Clay, Ebony and Apple.
