HOSPITALITY INSPIRATIONS

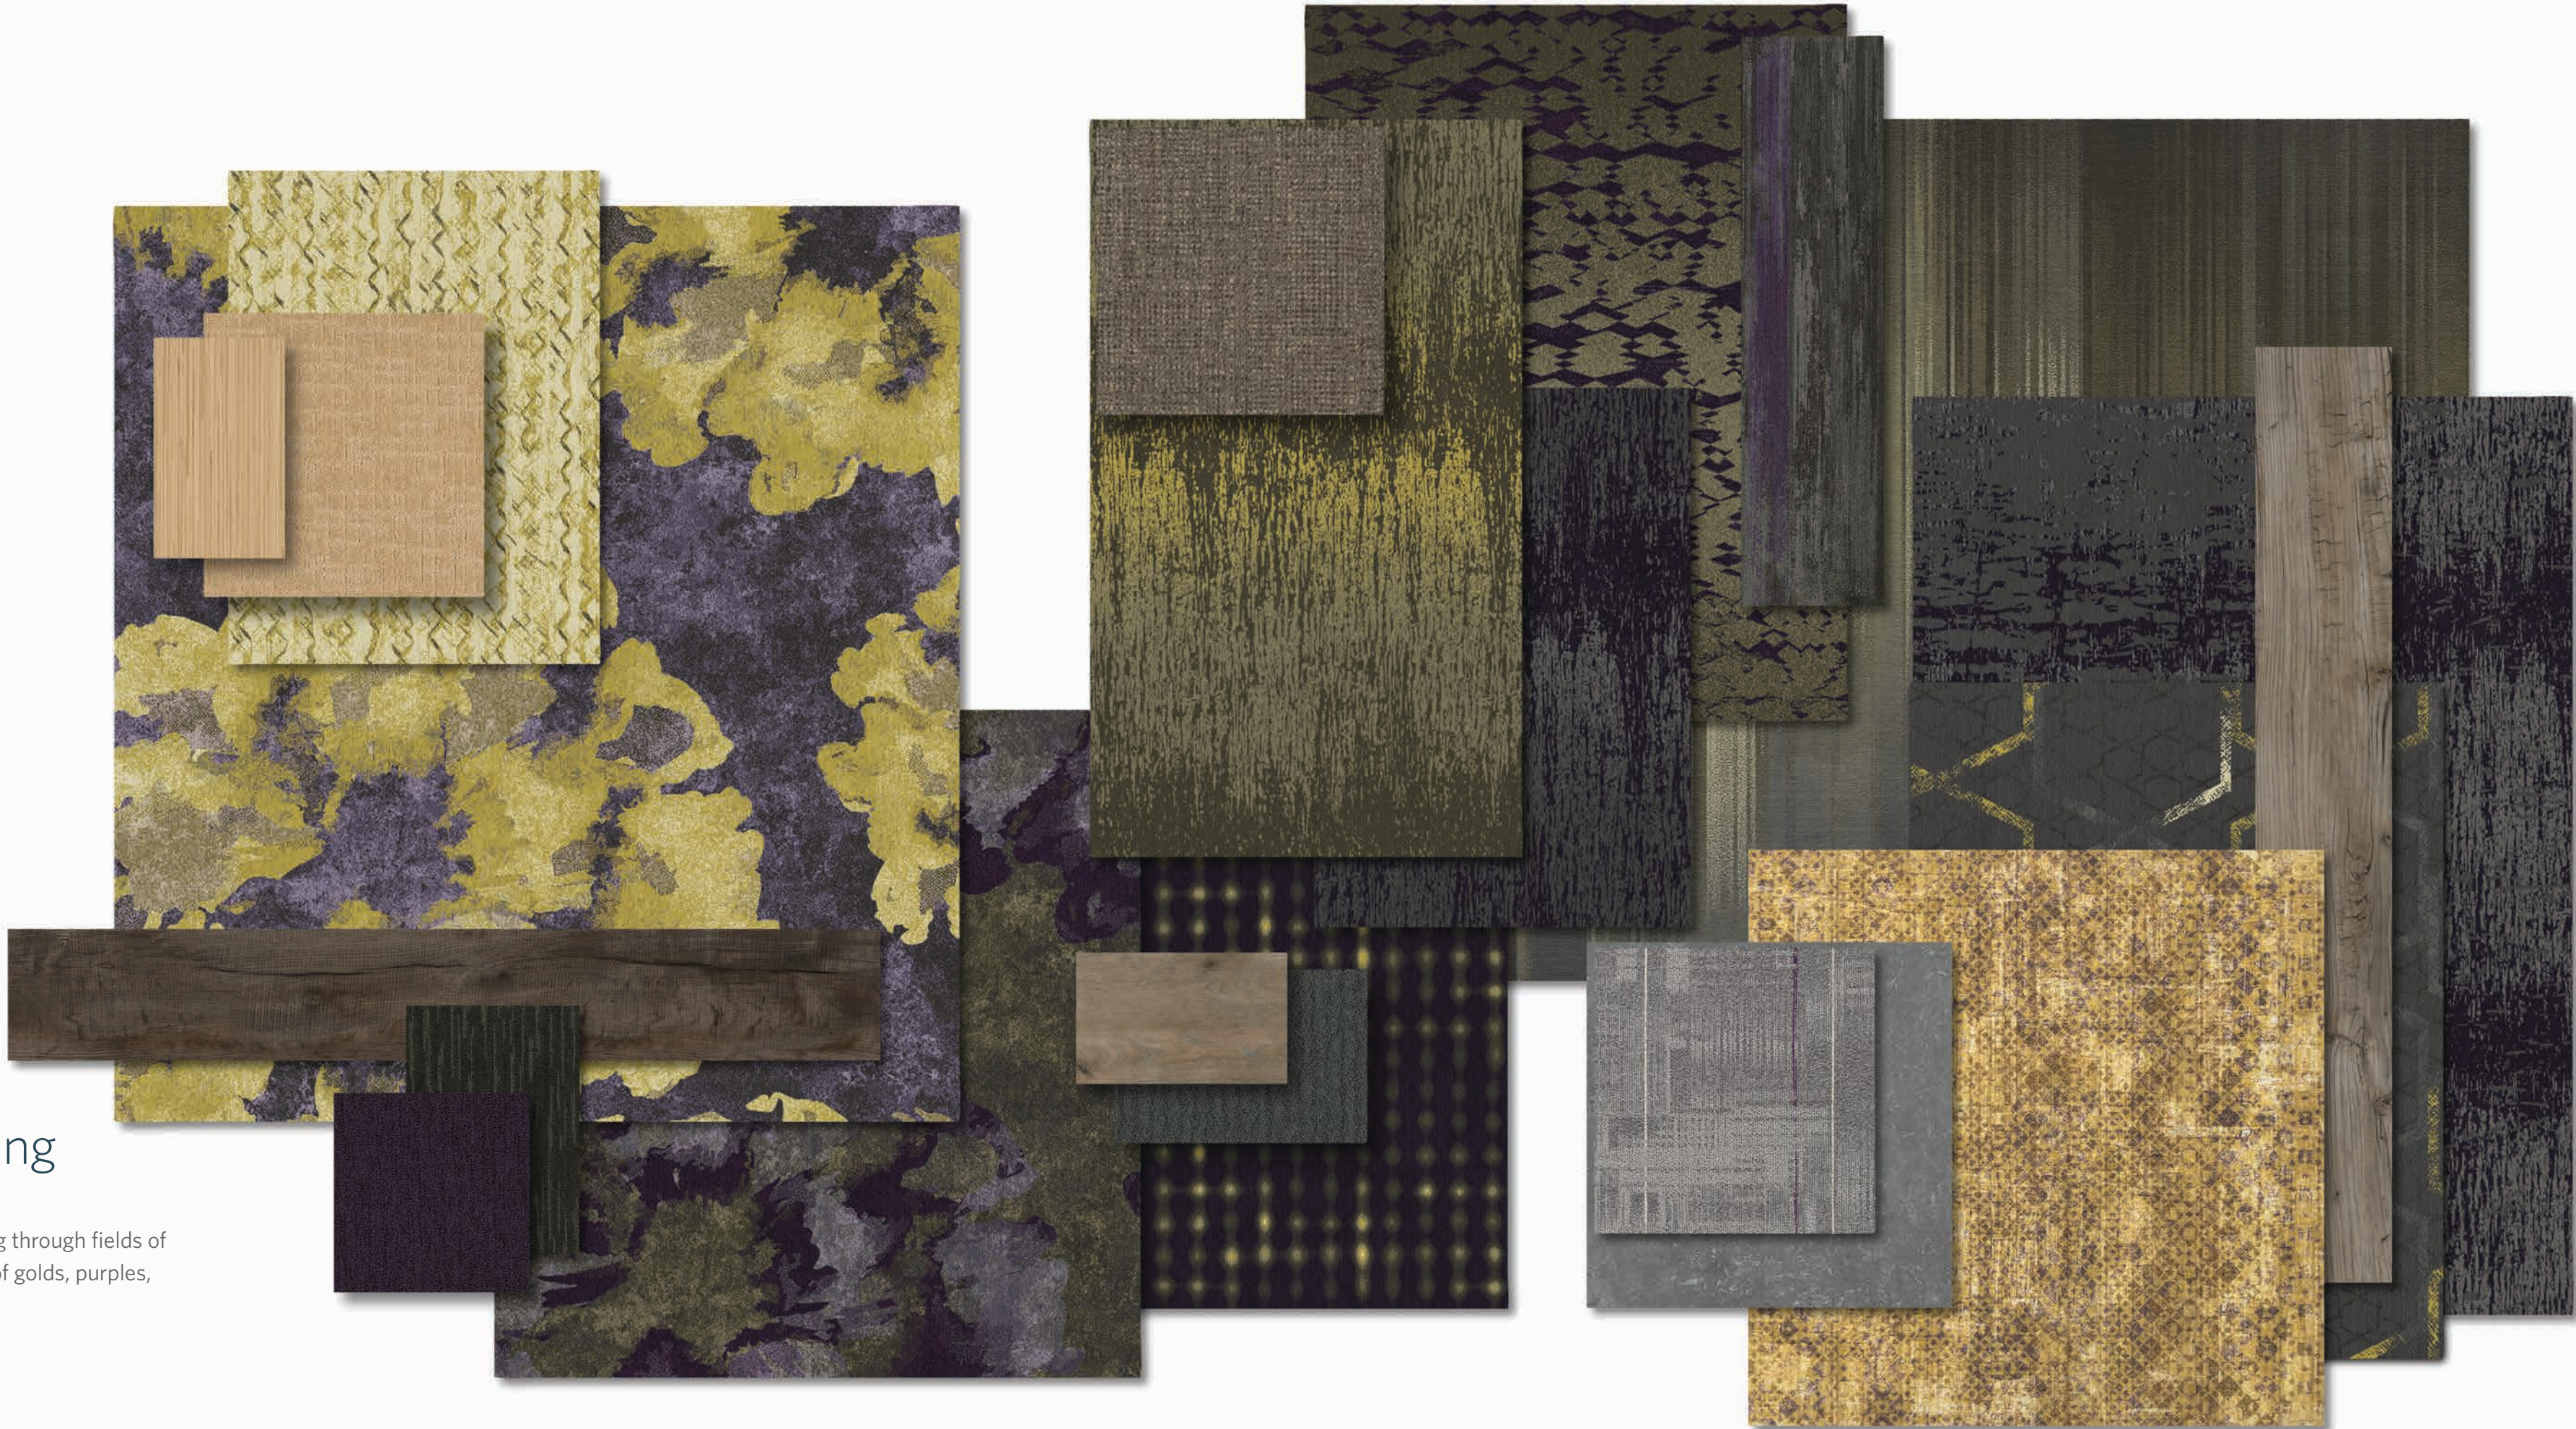

Natural Inspiration

Nature is messy, vibrant, awe-inspiring, and increasingly, our source for inspiration. We aspire to increase its impact on our lives while diminishing our impact on it. Taking a more biophilic approach to flooring, we've designed our newest collection with lessons from the natural world on pattern, color, and the niche but important roles found throughout an ecosystem.

The following three product palettes make it easy to keep a cohesive feel throughout your project, while not limiting your choice of pattern or technology.

Lavender Morning

Golden early-morning light gleaming through fields of lavender inspired this royal palette of golds, purples, and greens.

Enhanced Features

Milliken's performance features and warranties ensure a beautiful floor for many years to come.

CUSHION BACKING

Provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.

STAINSMART®

StainSmart, a proprietary treatment applied to Milliken carpets designed to protect against stains and enhance soil release.

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuft Bind, Floor Compatibility, Antistatic, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance.
