# serefe

Celebration is the key to the theme for this design collection, as the word Serefe so aptly says in the exotic Turkish language “to toast, to honor”. Each design is a celebration of styles and captures the excitement of new trends, layered and overlaid in hand painted textures and finishes.

Serefe is an orchestration of modernism, harmonized with a variety of pattern and design. Innovative fashions of bold and delicate elements are brought together in an array of transitional dimensions, adding a dynamic fusion of contemporary elegance and artistry.
