## Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, and resilient flooring. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken™

### WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind.

### SUSTAINABILITY

Milliken carpet, LVT, and entrance flooring tiles are carbon neutral everywhere in the world. As part of our M/PACT™ carbon neutral program, great care is taken when selecting materials, our carpet materials are Red List Free and PVC Free.

### MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Our carpet's WellBAC® open-cell backing allows the floor to breathe and moisture to evaporate, unlike hardback products.

### STAINSMART®

StainSmart provides lifetime resistance for your carpet against penetrating stains and soil.

### WELLBAC® CUSHION

WellBAC® cushion provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.

### TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor, thereby reducing installation time and costs.

## REMIX REMASTERED

Backbeat/Freestyle/Mix Tape/Bass Line

### Recommended Installation Method

Monolithic

MONOLITHIC

### SUSTAINABLE FEATURES

**Remix Remastered** is manufactured with WellBAC® Comfort cushion backing, and is certified NSF-140 Gold with over 35.9% pre-consumer recycled content by total product weight. **Remix Remastered** is also available with our NSF-140 Platinum backing option. All Milliken modular carpets carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™

### TRACTIONBACK®

Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.

Declare.

Images in this brochure and architect folder are approximate for color and pattern scale. Please use actual carpet samples to make your final selections.
