**HEAVY META**

Alloy / Foundry

Milliken

# **H E A V Y** **M E T A**

Metal is a crucial material that shapes our experience in the modern world. But what happens when this heavily-relied upon material is pushed to its limit? Introducing Heavy Meta, a new carpet collection that examines the perplexing conversion of this common material into a new and unexpected manifestation. With the activation of a catalyst, can metal thrive?

## **A L L O Y**

Rich in contrast and refined in movement, Alloy offers a steady, more subtle transformative nature, much like the pouring of smooth, melted metal into a casting mold.

## **F O U N D R Y**

Much like the fusing of different metals to create the utmost in durability, Foundry features a series of linear forms traveling in various directions, expressing a chaotic yet thorough transformation.

Alloy in Foil ALY152-220 and Alloy in Tungsten ALY174-133. Monolithic.

MILLIKEN | HEAVY META | 02

Experiment with 2 reformed patterns, Alloy and Foundry, offered in a selection of 8 malleable colors, contrasting in tone and polished in design. And, with a brilliantly high-luster yarn welded in to each tile, watch as designs innately mirror the same sheen of this unique material. With Heavy Meta, become activated with an unconventional method of transformation.

CARBON NEUTRAL PROGRAM

## HEAVY META IS A CARBON NEUTRAL COLLECTION

Climate change is one of the greatest threats facing humanity. Today, our carpet, LVT and entryway tiles are carbon neutral everywhere in the world. We invite you to learn more about the significant changes we've made, then let's work together to design a better future.

## HEAVY META

Alloy / Foundry

### SPECIFICATION

**Construction** - Tufted, Textured Loop  
**Tile Size** - 25cm X 100 cm  
**Face Fiber** - 100% Milliken Certified Nylon  
**Dye Method** - ECONYL® Solution-Dyed Nylon  
**Standard Backing** - PVC-Free WellBAC® Comfort Available with TractionBack®  
**Nominal Total Thickness** - 9.7 mm AVG.  
**Flammability** - ≥ 0.45 (Class I)  
**Texture Appearance Retention Rating (TARR)** - Heavy  
**Indoor Air Quality** - CRI Green Label Plus™ - GLP3200, Carpet Category 14X

### Installation Method:

ALL PLANK  
METHODS

### TractionBack®

Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.

**Declare.** **ECONYL®**

Made with 100% Regenerated Nylon
