

ARTmade

Milliken™

MAKE A STRONG VISUAL
STATEMENT IN ANY SPACE

ARTmade

Inspired by the unbridled nature of mixed media, the ARTmade collection combines the artistry of handcrafted prints with modern digital technology. The collection's dynamic styles range from broad horizontal brushstrokes to bold floral outlines.

burnished

Establish a warm, inviting environment with rich earth tones: think smoky grays, heathered browns, and rich caramel hues. These grounded hues establish a nurturing sense of place.

ECHOES FROM THE PAST ARE GIVEN
NEW LIFE IN TODAY'S INTERIORS

PRINT WORKS™

PRECISION DYE EXPERTS

Combining artisanal printmaking techniques with innovative technology, PrintWorks™ is the gateway to achieving infinite design possibilities. In the same way that printmaking revolutionized mass production methods, Milliken's PrintWorks™ technology continues to visually convey modern aesthetics for today's interiors. Taking inspiration from original woodcut and linocut prints, this collection embodies the masterful art technique of layering and replication, creating timeless artscapes with a contemporary feel.

relief

Refresh interiors with Relief's soothing blue and green colorway, heightened by an acidic component. The juxtaposition of light and dark color variations adds an element of visual depth.

MODULAR LANDSCAPES

Blending beautiful with practical.

The ARTmade collection is a part of our Modular Landscapes solution - easy to install without the need for added pad; easy to replace damaged tiles; and its durability outlasts broadloom. Take advantage of the affordable luxury that ARTmade offers and elevate the style of any floor.

Burnished in Continuous Random Field 01391183, Terzo. 8 Unique 1m x 1m tiles.

EASILY MARRIES WITH ANY
TYPE OF PRINT PATTERN

Terzo Base

Terzo was developed for the Hospitality market as an abstract cut and loop texture, providing a third level of dimension. Its ability to showcase patterns in stunning detail is paired with a random tufted design.

Continuous Random[®]

The Continuous Random[®] system provides ample room for design interpretation. Paired with PrintWorks™ technology, you have the ultimate flexibility to achieve the form, flow, and function you desire. Using monolithic layouts, you can create a large pattern match aesthetic for an impactful floorscape.

SUSTAINABLE FEATURES

ARTmade is manufactured with WellBAC® Comfort cushion backing, and is certified NSF-140 Gold with 37.8% pre-consumer recycled content by total weight. ARTmade is also available with our NSF-140 Platinum backing option. All Milliken modular carpets carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™

M/PACT™ CARBON NEUTRAL PRODUCT

M/PACT carbon neutral products offset the raw materials and manufacturing carbon footprint* by using 3rd party Verified Carbon Standard Credits that support renewable energy and carbon reduction technologies to help fight climate change. When you choose M/PACT products, you can be sure your choice is carbon neutral.

TRACTIONBACK

Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.
