

COLOR FIELD PATINA

Milliken™

**INSPIRED.**

Patina is the culmination of changes in a material's surface resulting from age, use and exposure to the elements. These acquired attributes offer contrasting colors and textures in divergent planes where distinctive edges form and layers of wear create character. Patina is the expression of a material's heritage on display for all to interpret and appreciate.

**INSPIRING.**

Oxidized metals, sun-bleached woods, worn concrete, and etched stone inspired the coloration and layered appearance of Patina. This natural extension of the original Color Field collection provides 32 new colors grouped into eight easy-to-coordinate color families. With its distinctive pattern, Patina celebrates the layers of age and wear as discovered in larger, more dynamic sections of color. Offered in high-performance, severe-rated modular carpet planks, Patina and the rest of the Color Field family stand up to the most extreme traffic conditions while providing an imaginative color palette.

# STYLE BACKED BY PERFORMANCE

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, and resilient flooring. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

## WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind.

## SUSTAINABILITY

Milliken carpet, LVT, and entrance flooring tiles are carbon neutral everywhere in the world. As part of our M/PACT™ carbon neutral program, great care is taken when selecting materials, our carpet materials are Red List Free and PVC Free.

## MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Our carpet's WellBAC® open-cell backing allows the floor to breathe and moisture to evaporate, unlike hardback products.

## STAINSMART®

StainSmart provides lifetime resistance for your carpet against penetrating stains and soil.

## WELLBAC® CUSHION

WellBAC® cushion provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.

## TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor, thereby reducing installation time and costs.
