

**FACETS OF FLORA**

*Milliken*<sup>™</sup>

Facets of Flora explores the beauty of plants through the lens of geometry. Polygonal interpretations of floral elements expand on traditional design motifs in a modern and widely applicable way.

The combination of dark backgrounds with brilliant splashes of gold set a tone of elegance and excitement. This perfectly crafted bouquet of pattern scales and motifs can provide the right amount of visual impact to any area.

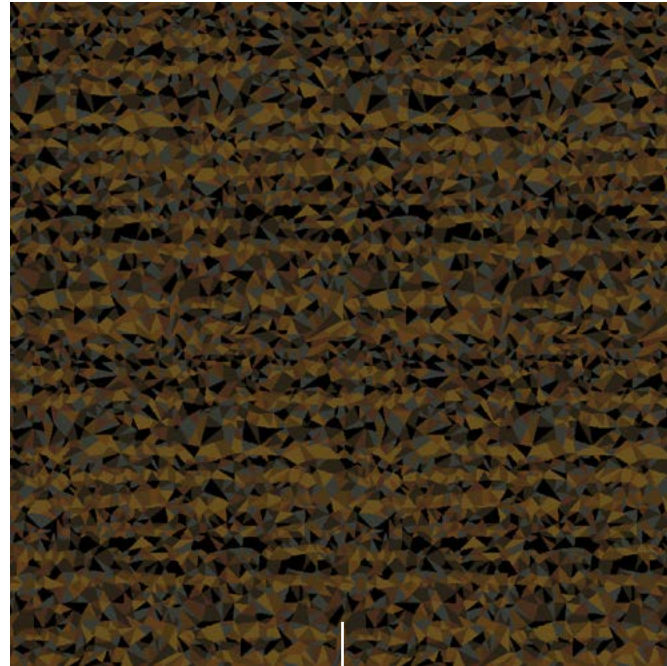

Choose from 10 patterns on 36oz broadloom carpet base that is equipped to provide year after year of performance.

# Recolor Any Pattern

Like the patterns but need a different color to coordinate with your project? You have the freedom to recolor any pattern using one of our three color systems: MAX, MOD, or PURE. Our visualization tool makes it easy to recolor and customize any pattern and view it in various room settings.

Once you have created the perfect design, you can save, email, or order laser prints directly from the site.

Visit our online visualization tool at [designonline.milliken.com](https://designonline.milliken.com) to play with patterns and colors, in both broadloom and tile, and order your custom sample today!

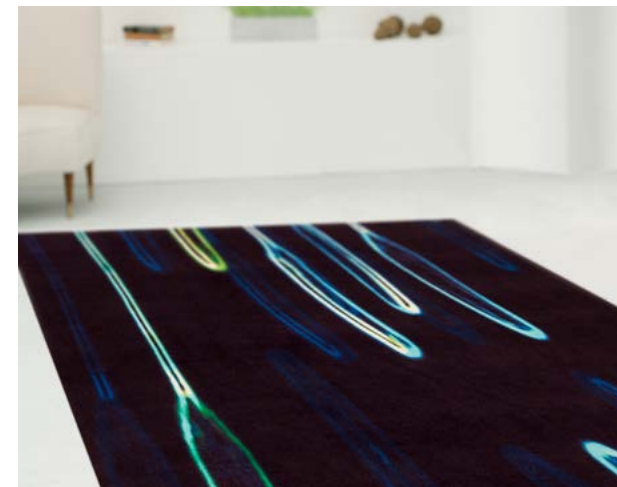

# Complete Flooring Solutions

With an industry leading selection of high-performance broadloom, modular carpet, and LVT options, we are inspired to create exceptional hospitality flooring products that will inspire you and your guest.

Whether a custom option from our easy to specify Millitron® patterning technology or a solution dyed nylon carpet tile for a refresh, we have the right color, pattern, and construction that adds value to your property. From the front door, through the lobby to the ballroom and guest room, Milliken brings innovative design to every corner of your property.
