DESIGNS WITH
EFFORTLESS
COORDINATION
CAPABILITIES.

EXPLORE A RANGE OF DESIGN POTENTIAL

With our new LVT collection, you can select the product that best fits your project needs — in terms of color, size, and pattern — without ever compromising style. Available in 14 colors and two sizes, Long and Extra Long, this product has a no-glue, one-step install with an attached pad for acoustic benefits. This collection is crafted in America, thus providing increased reliability and timely shipping speeds.

STYLE & STRENGTH

Maintain the beauty of your floors in high traffic areas with ProGuard. Its reinforced UV cured polyurethane enables best-in-class scratch, stain and scuff resistance. In addition to best-in-class durability, this technology eliminates the need for polishes and waxes, allowing for reduced maintenance costs and improved indoor air quality.

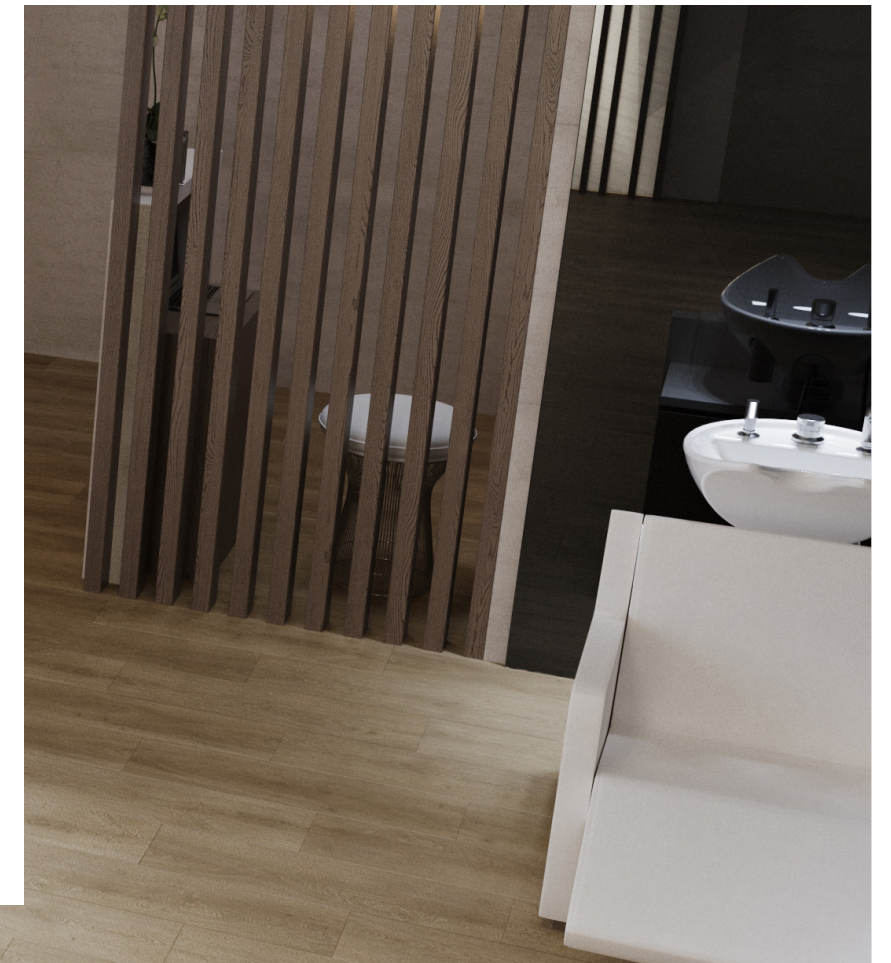

DESIGNED TO LAST

Engineered to hold the most demanding of weights, the RigidForm™ core platform provides exceptional durability. It works to hide subfloor imperfections and requires minimal acclimation prior to installation.

HASSLE-FREE INSTALLATION

Our RigidForm platform provides adhesive-free, interlocking installation, resulting in a faster install process and simultaneously reducing cost.

FLEXIBLE DESIGNS

The Modular Landscapes offerings showcase a variety of colors, sizes, and patterns, opening the door for endless design possibilities. The modular framework lends itself to effortless replacement and low maintenance, making it easier than ever to maintain a pristine interior.

STYLE BACKED BY PERFORMANCE

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, resilient flooring. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

RIGIDFORM™ LVT CONSTRUCTION

- 1 PROGUARD REINFORCED POLYURETHANE**
Provides superior stain and scratch resistance, eliminates the need for polishes/waxes, for reduced maintenance costs and improved indoor Air Quality (IAQ) performance.
- 2 WEAR LAYER**
Transparent embossed wear provides protection and appearance retention in demanding environments
- 3 PRINTED LAYER**
High-resolution printed film delivers stunning realistic visuals of wood and stone.
- 4 INTERLOCKING RIGID LAYER**
This layer provides unsurpassed durability that also hides subfloor imperfections, with a locking mechanism that allows for quick and easy adhesive-free installation.
- 5 INTEGRAL ACOUSTIC BACKING**
Pre-attached underlayment minimizes sound, is shock absorbent, and further assists with concealment of subfloor imperfections.

- Two wear layer options: 22 mil and 12 mil.
- ProGuard™ Coating protects against stains, scratches and wear.
- RigidForm™ core platform provides exceptional durability and hides subfloor imperfections.
- Best-in-class durability allows for reduced maintenance costs and improved indoor air quality.
- Expertly crafted in America.
