Fluid spaces built by color.

COLOR THESIS FEATURES TWO PATTERNS within one corresponding color story. This vibrant collection offers unique sizing, pairing, and set-match options. With Milliken's proprietary PrintWorks™ dye technology, watch as floorscapes surpass expectations as they begin to mirror the exclusivity of an original work of art.

One pattern, two ways.

Art randomized.

**BLUR THE LINES BETWEEN
ART AND FUNCTION.**

Color Thesis offers multiple sizes
in the Artwork pattern, allowing
installations to become your own
unique work of art.

Randomize your floorscape and create something truly original.

Herringbone installation created from one single color in various tile sizes.

DESIGNED FOR PAIRING.

Each pattern of Color Thesis is thoughtfully crafted to uniquely correspond for maximum functionality and style.

Express a foundation with **Details**, a high performance, all loop pattern.

Then, highlight select areas with the **Artwork** pattern, a plush tip-shear with increased cushion.

Blend and match between these companion products. Explore the **Details** brochure to create a floorscape rooted in color.
