FREE FLOW

CAPTURING THE DETAILS

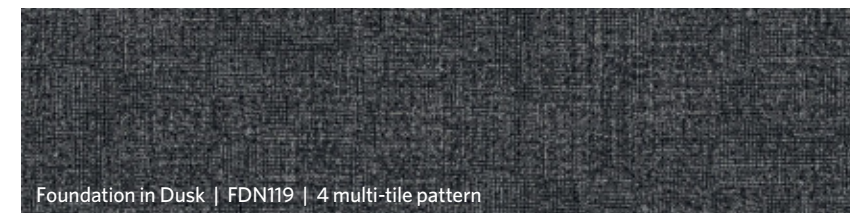

Every day, the flow of life shows us shapes, patterns and colours. Free Flow expresses a uniquely artful perspective inspired by the natural details around us. Explore the fabrics that define us in textures. Experiment with directionally inspired choices in Linears. Discover the methodical order of Geometrics. Or, imitate nature with unique appeal of Organics.

All patterns are available in 50cm x 50cm tiles and 25cm x 100cm planks.

FREE FLOW WORKS WITHIN

Free Flow is designed to work within itself to create natural, living floorspaces. Choose your favourite aesthetic emulation, pair coordinating patterns, or make a statement and select contrasting designs. There is no wrong way to navigate this collection; you can simply discover your own unique flow.

NEW & RETROFIT INSTALLATIONS

Free Flow is ideal for a variety of spaces in need of aesthetic and functional updates, especially new installations and renovations. With an open-cell WellBAC™ cushion backing construction, Free Flow can withstand all levels of RH and pH, eliminating any potential compatibility issues.

QUICK SHIP SERVICE

Free Flow offers a Quick Ship service, making the process between product selection and product delivery swift and effortless. This collection is especially an ideal choice for new or retrofit installations, accelerated time lines, or simply for a guaranteed, no hassle delivery.

EXPERIENCE INFINITE DESIGNS

Customisation re-defined and simplified

"While innovation is at the heart of our daily activities, its power is in its purpose – high ethical standards, market leadership and products that do good for the world."

Milliken

The Milliken-Ontera experience - understands the changing trends, designs and products and leverages the speed and flexibility of our Millitron Dye Injection technology, to create customised designs or colour concepts that is unique to your requirements. It also provides the ability to stamp your I.D on your projects.

The Chroma Blanket Box is the perfect tool in simplifying custom colour selections and design solutions, with quick turnaround sampling and production. We have taken the guesswork out for you.

Our dedicated design team can also create floor plan layouts for designers, end-user clients and installers. Our custom design services are cost effective with low minimums for projects and short lead times.

Building homes for homeless youth.

Milliken-Ontera supports the Property Industry Foundation

At Milliken-Ontera - integrity matters. Our culture is supported by the Milliken culture of "Doing Good", driven by the core values of Ethics, Excellence and Leadership.

Milliken-Ontera is a proud National Corporate Donor of the Property Industry Foundation (PIF) and have actively engaged in fundraising initiatives and volunteer programs to help build homes for homeless youths in Australia.

The Free Flow collection is part of the **"purpose-orientated"** pathway initiative in pro-actively raising funds for homeless youth. A percentage of revenue of every specification of Free Flow will be donated to PIF.

The Foundation's mission is to make a tangible difference to the serious and persistent problem of youth homelessness by partnering with respected charities to build safe environments and support charity managed initiatives focused on education, employment and wellbeing.
