A PALETTE OF INSPIRATION

MultiForm is a complete design solution that captures the creativity inherent in color. A revolutionary carpet tile collection, it inspires amazing floorscapes while making it easy for designers to create their vision. Inspired by color. Imagined by an artist. Created for designers.
Available in 20 mood-enhancing hues, each MultiForm carpet tile features unique variations in color and shading, and a distinguishing outer frame.

MULTIPLE OPTIONS
Ultimately configurable, MultiForm comes in three sizes (1m x 1m, 50cm x 1m, and 25cm x 1m) that can be used alone or combined to create endless combinations.
CREATE THE ULTIMATE FLOORSCAPE

With MultiForm’s multiple sizes and colors, you can bring a floor to life in the same way an artist applies color to a canvas. The only limit is your imagination.
COMPLEMENTARY DESIGN

MultiForm coordinates beautifully with our popular Encryption and Color Field collections—making it easier than ever to achieve your creative vision.
CREATED JUST FOR YOU

Imagined by Milliken designer and painter Susan FitzGerald, MultiForm offers a unique aesthetic that captures the creativity inherent in color. By utilizing framing, shading and pattern blends, Susan was able to bring her vision for one-of-a-kind floorscapes to life. Choose complementary colors to convey fluidity or pair contrasting shades for impact. MultiForm’s variety of shapes and colorways make it easy to designate special areas and direct traffic flow.
THE COLORS OF A MOOD

The MultiForm collection offers a palette of 20 intriguing colors—each selected for its ability to evoke a mood. Choose Sunny to convey the warmth of sunshine. Or integrate calmness in your design plan with Vital.

MultiForm in Vital, with Sunny accents.
SIMPLIFYING THE CREATIVE PROCESS

MultiForm is a design tool you can use again and again. With limitless combinations of size and color, no two installations will ever be exactly the same. Instead, each creation stands on its own as a living work of art—a customized solution for your unique design challenge.
Just as artists create one-of-a-kind pieces using the same palette, the MultiForm KIT of PARTS allows you to design unique flooring solutions each and every time you use it. So, be sure to order more than one sample and start creating your masterpiece. The complete range of variation within each MultiForm color is shown in our look book. Contact your representative for more information.
Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile, and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

**ENTRYWAY SYSTEMS**

The OBEX™ brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building. Available in coordinated colors and patterns, OBEX™ entry products are engineered to increase the functionality of a building’s entrance without forsaking elements of design or aesthetic.

**MODULAR CARPET AND BROADLOOM**

Milliken’s broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

**LUXURY VINYL TILE**

From natural looks of wood and stone to more modern textures and abstracts, Milliken’s collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

**MILLICARE®**

Milliken takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

**WARRANTY**

Our products are backed by ( specify commercial warranties that ensure quality and play please of time. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Discoloration of Backing, Edge Ravel, Tart Border, Texture, Anti-static, Durability, Rust Resistant, Dimensional Stability, Floor Release, Transfront and Moiré Resistant. [Milliken website link for warranty details].

**SUSTAINABILITY**

Core to our culture, we embrace sustainability with practices such as third party voluntary product labeling and certifications; zero waste to landfill since 1992, use of renewable energy, product lifecycle assessments, ISO 14001 standards and all of our manufacturing sites are certified to the highest global environmental standard. ISO 9000 Quality Standards and all of our manufacturing sites are certified to the highest global environmental standard - ISO 14001. [Milliken website link for sustainability details].

**STAINSMART®**

StainSmart is a proprietary treatment applied to Milliken carpets designed to repel and protect against stains and enhance soil release. [Milliken website link for StainSmart].

**MOISTURE MANAGEMENT**

Milliken modular carpet is a moisture mitigation solution of hardback tile with broadloom products. Water vapor has a way to escape from beneath Milliken’s cushion backing. It travels freely through our open cell structure, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tile comes with milliCare during the installation of adhesives bonded to moisture-sensitive materials. Lifetime warranty against adhesive breakdown due to moisture vapor emissions. [Milliken website link for moisture management].

**CUSHION BACKING**

Provides support underfoot comfort while improving the carpet’s durability and offering ergonomic, acoustic, and environmental benefits. [Milliken website link for cushion backing].

**SIT TO STAND**

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves. [Milliken website link for sit to stand].

**TRACTIONBACK®**

Our bio-based high-friction coating keeps carpets in place on hard substrates without additional adhesives. Allowing the need to prime or seal the floor and reducing installation time and costs. [Milliken website link for tractionback].
PLAYS WELL WITH OTHERS

While MultiForm is a complete design solution that stands on its own, its artistic approach also pairs beautifully with several other of our leading designs. For an enhanced touch, try coordinating your new MultiForm carpet with a style from either our Color Field or Encryption collections.
