Design Layout Ideas

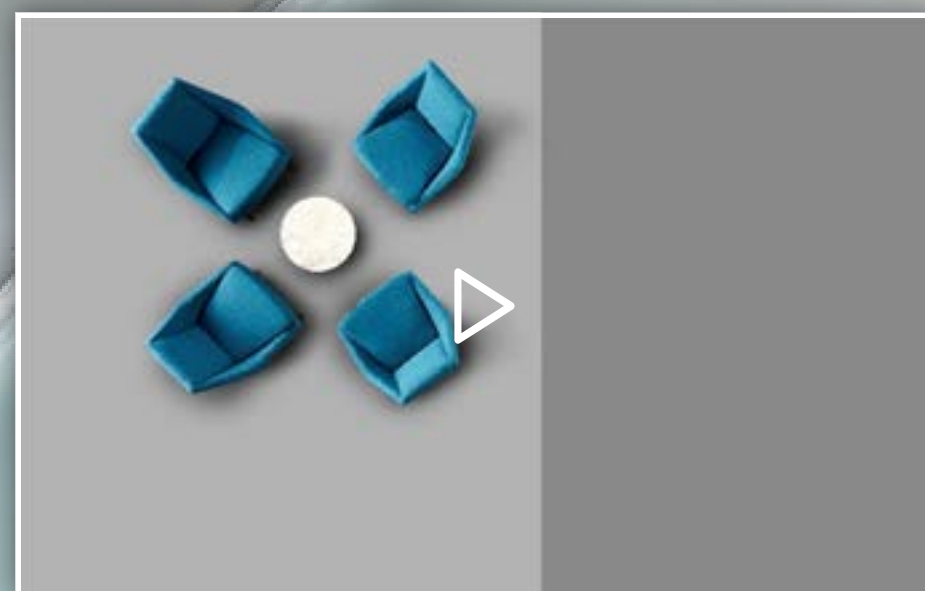

The layout of the floor can have a significant impact on the space. Vision Lab- Design Layout Ideas is a guide of tile layout variations, helping you establish a direction for your floorspace.

Divided into color scheme, pattern and diverse room scenes, we've made it easy for you to navigate.

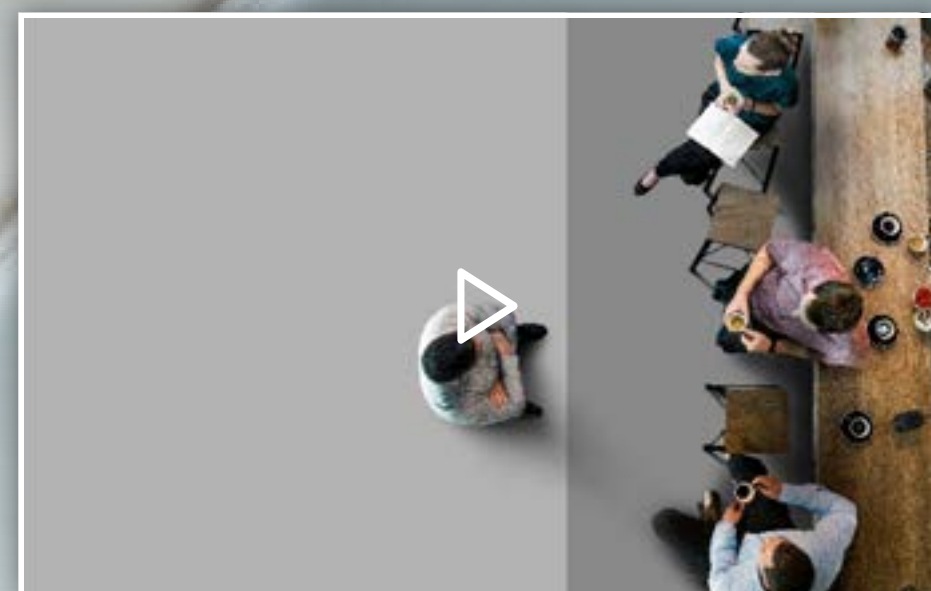

We hope these ideas will offer you easy drop-in modules to be inserted within your floorplans, or inspire you in generating ideas for your space.

COLORLINE

The Design Destinations offers versatility for designers to achieve unique floor plans as suitable to their concepts. Dare to be dynamic by mixing and matching tiles from one theme to another or create a design fusion with other Milliken collections. It's up to you to bring to life your insights while we remain as your trusted partner along the way.
